At Eden Heights, our residents' horizons grow, not constrict. They are enabled, not hindered. Residence at Eden Heights means freedom from those things that are difficult to manage. It means having assistance so that day-to-day concerns are not burdensome.

Our three assisted living facilities are state-of-the-art residences. They are all one-story and easy to move about in. Materials and construction are second to none. Our staff serves residents with the respect they deserve and the warmth friendships are made of.

Eden Heights' professionalism and excellence are demonstrated by our willingness to offer a trial residence. We encourage prospective residents to try a month at Eden Heights to be sure they will be comfortable and content.
