Staff Shout Outs

A big shout-out to our department managers and staff who work tirelessly to make each day run smoothly. From coordinating care and schedules to ensuring compliance, safety, and comfort, they are the quiet force that keeps the community thriving.

Looking Back at June

June flew by, and we had an incredible time! Highlights included a group picnic, a delightful Father's Day cookout with families, clay sculpting, tie-dying, fun with temporary tattoos, enjoying drinks, and savoring watermelon on the front porch. As always, there was an abundance of musical talent and so much more. We can't wait to see what July has in store for us!

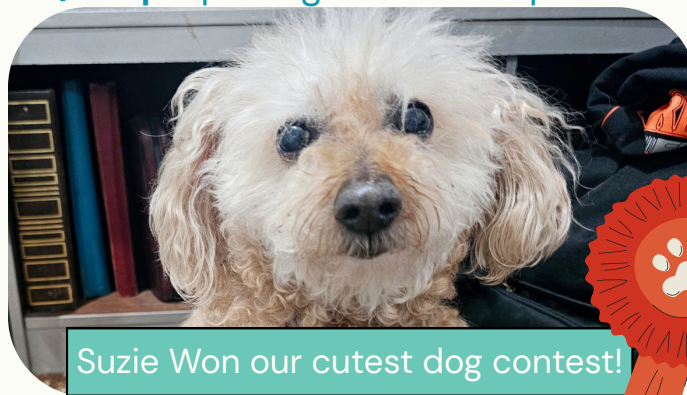

Why is the beach so confident?
Because it's 100% shore!

If you have any suggestions for improvements or activities that could benefit our community, please feel free to reach out and share your thoughts with us!
