Featured Resident of the Month Shirley Noel

Shirley grew up in Pennsylvania with 6 sisters and one brother. When she married, she and her husband moved to Cleveland and then to Eden. Shirley and her husband were married for 51 years. They have one daughter, two sons and 3 grandchildren. In addition to raising her children Shirley had a job in a factory. She and her husband enjoyed riding their snowmobiles.

Shirley has lived at Eden Heights for almost 5 years. She loves playing cards, reading, doing crossword puzzles and trivia. Basically doing anything that involves brain power. Shirley also loves to socialize and is very helpful to the other residents.

Featured Employee of the Month Joyce Haag

Joyce grew up in Langford with one sister and one brother. When she married, she and her husband moved to East Eden where they raised their two daughters and two sons just a few houses down from Eden Heights. Joyce and her husband have 3 grandchildren.

Joyce is well known in the Eden area and at Eden Heights. Maybe its because she has worked for Eden Heights for 34 years mainly as a Personal Care Supervisor. She has seen many changes along the way. We have been blessed to have her with us for that length of time. If you need to know anything, Joyce is the person to see.

Joyce's favorite color is purple, favorite food is pizza and she enjoys country western music and likes to square dance. She belongs to the Eden Garden Club and they volunteer their time here at Eden Heights twice a year. She has also belonged to senior groups, travel club, home bureau and St. Mary's Church Group.

Joyce and her husband love to travel and have been to Alaska, Hawaii, Mt. Rushmore, Grand Canyon and out west.

Premier Senior Living, LLC

**Exceptional Care...
Exceptional Caring...
Exceeding Expectations.**

The Eden Heights philosophy about aging is simple: getting older means getting better. Every day brings more experiences and insights. Every day adds value and worth to the lives of our residents.

Eden Heights offers a residential opportunity for seniors to focus on independence, friendships and fulfillment. The isolation, frustration and dependence that may have influenced our residents' lives before coming to Eden Heights have been chased away.

At Eden Heights, our residents' horizons grow, not constrict. They are enabled, not hindered. Residence at Eden Heights means freedom from those things that are difficult to manage. It means having assistance so that day-to-day concerns are not burdensome.

Our three assisted living facilities are state-of-the-art residences. They are all one story and easy to move about in. Materials and construction are second to none. Our staff serves our residents' with respect they deserve and the warmth friendships are made of.

Eden Heights' professionalism and excellence are demonstrated by our willingness to offer a trial residence. We encourage prospective residents to try a month at Eden Heights to be sure they will be comfortable and content.
