Featured Resident of the Month

Walter Terpin

Walter has lived in Buffalo all of his life before coming to Eden. At the age of 18 he joined the army, where he was transferred to Great Brittan. He then worked for the Air Force as a technician processing surveillance photos.

When he came back to Buffalo, he went to Art School, which was paid for by the government, along with a monthly stipend of \$60 to live off of, which he was very grateful for.

After graduating from Art school, he married and had 3 sons. He then held a silk screening job.

One of his sons moved to Puerto Rico for real estate, one has a degree from MIT for computer programming and one has a degree from the University of Buffalo for computers and he is very proud of all of them.

Walter remains a very talented artist. His works decorate some of the hallways at Eden Heights. Although he is no longer able to paint with a brush, Walter is now creating abstract art on his computer with a painting program.

Some of Walter's paintings can be seen on a link posted on our Eden Heights facebook page.

Featured Employee of the Month

Ruby Willett

Ruby has lived in Eden all her life. She has 12 brothers and sisters. She married in 1979 and has one son, one daughter and two grandchildren.

She started her career at Eden Heights in 1987. We have been so fortunate to have Ruby as a dedicated employee for 31 years now. She started as a PCA for a short time and then became a PCS & a Housekeeping Supervisor. Now we are proud to say she is our Wellness Director since 2010 and is a key part of our team.

In her spare time Ruby loves spending time with her grandchildren or going to the casino. In addition to taking care of all our residents, she also takes care of her Mom.

Premier Senior Living, LLC

**Exceptional Care...
Exceptional Caring...
Exceeding Expectations.**

The Eden Heights philosophy about aging is simple: getting older means getting better. Every day brings more experiences and insights. Every day adds value and worth to the lives of our residents.

Eden Heights offers a residential opportunity for seniors to focus on independence, friendships and fulfillment. The isolation, frustration and dependence that may have influenced our residents' lives before coming to Eden Heights have been chased away.

At Eden Heights, our residents' horizons grow, not constrict. They are enabled, not hindered. Residence at Eden Heights means freedom from those things that are difficult to manage. It means having assistance so that day-to-day concerns are not burdensome.

Our three assisted living facilities are state-of-the-art residences. They are all one story and easy to move about in. Materials and construction are second to none. Our staff serves our residents' with respect they deserve and the warmth friendships are made of.

Eden Heights' professionalism and excellence are demonstrated by our willingness to offer a trial residence. We encourage prospective residents to try a month at Eden Heights to be sure they will be comfortable and content.
