Featured Resident of the Month

Lillian Schreiner

Lillian was born & raised in Eden. After high school she worked as a nanny until she got married at 23 years old to her husband Harold. They had 3 daughters and 3 sons. Lillian was then a stay at home mom. She also has, as she states, “a whole bunch of grandkids and great grandkids.”

In the past her and her husband enjoyed traveling to Florida every year for vacation, square dancing, playing cards, listening to country music, going skiing, ice skating and swimming.

She now enjoys visiting with family and friends, attending mostly all activity programs with bingo being her favorite. Despite Lillian’s limited vision, it does not stop her from continuing to enjoy life.

Featured Employee of the Month

Susan Guerra

Susan grew up in Cheektowaga and has one brother. She now lives in Eden with her husband Mike of 10 years. Susan has one daughter who lives in San Diego. She has a beagle named Trouble, who really isn’t any trouble at all and two grandpets, a dog named Benji & a cat named Sophie.

Susan’s past occupation has been in banking & finance. She has been employed at Eden Heights for 8 years now as an administrative assistant. Susan is always willing to help residents and staff with whatever is needed. She stated “she feels privileged to be a part of the lives of the residents here at Eden Heights.”

Susan’s hobbies are spending time with family & friends, going on vacations with her husband, reading, gardening, motorcycling and snowmobiling.

Exceptional Caring...
Exceeding Expectations.**

The Eden Heights philosophy about aging is simple: getting older means getting better. Every day brings more experiences and insights. Every day adds value and worth to the lives of our residents.

Eden Heights offers a residential opportunity for seniors to focus on independence, friendships and fulfillment. The isolation, frustration and dependence that may have influenced our residents' lives before coming to Eden Heights have been chased away.

At Eden Heights, our residents' horizons grow, not constrict. They are enabled, not hindered. Residence at Eden Heights means freedom from those things that are difficult to manage. It means having assistance so that day-to-day concerns are not burdensome.

Our three assisted living facilities are state-of-the-art residences. They are all one story and easy to move about in. Materials and construction are second to none. Our staff serves our residents' with respect they deserve and the warmth friendships are made of.

Eden Heights' professionalism and excellence are demonstrated by our willingness to offer a trial residence. We encourage prospective residents to try a month at Eden Heights to be sure they will be comfortable and content.
