**Exceptional Care...  
Exceptional Caring...  
Exceeding Expectations.**

**The Eden Heights philosophy about aging is simple: getting older means getting better. Every day brings more experiences and insights. Every day adds value and worth to the lives of our residents.**

**Eden Heights offers a residential opportunity for seniors to focus on independence, friendships and fulfillment. The isolation, frustration and dependence that may have influenced our residents' lives before coming to Eden Heights have been chased away.**

**At Eden Heights, our residents' horizons grow, not constrict. They are enabled, not hindered. Residence at Eden Heights means freedom from those things that are difficult to manage. It means having assistance so that day-to-day concerns are not burdensome.**

**Our three assisted living facilities are state-of-the-art residences. They are all one story and easy to move about in. Materials and construction are second to none. Our staff serves our residents' with respect they deserve and the warmth friendships are made of.**

**Eden Heights' professionalism and excellence are demonstrated by our willingness to offer a trial residence. We encourage prospective residents to try a month at Eden Heights to be sure they will be comfortable and content.**
