# The Croatan Village Experience

*Croatan Village is nestled on the edge of the scenic Croatan National Forest located in historic New Bern, North Carolina just minutes from the picturesque waterfront. The community is a licensed 72 bed assisted living and memory care community designed and specially staffed to accommodate seniors who require daily supervision or personal assistance, but who do not need complex medical attention provided by a nursing home.*

*Croatan Villages offers the largest two room assisted living suites in the area in addition to private baths which provides residents an opportunity to focus on independence, friendship, and fulfillment. The isolation, frustration and dependence that may have influenced our residents before coming to Croatan Village will be chased away.*

*At Croatan Village, our residents' horizons grow, not constrict. They are enabled, not hindered. Residence at Croatan means having assistance so that day-to-day concerns are not burdensome.*

*We know that independence and happiness are the keys to making Croatan Village a home for our residents. We provide the following services so that our residents can spend their valuable time enjoying new friends and doing the things they like to do.*
