The Orchard Park Experience

The Orchard Park assisted living philosophy is simple: getting older means getting better. Every day brings more experiences and insights. Every day adds value and worth to the lives of our residents.

Orchard Park offers a residential opportunity for seniors to focus on independence, friendship and fulfillment. The isolation, frustration and dependence that may have influenced our residents before coming to Orchard Park have been chased away.

At Orchard Park, our residents' horizons grow, not constrict. They are enabled, not hindered. Residence at Orchard Park means having assistance so that day-to-day concerns are not burdensome. Orchard Park's professionalism and excellence are demonstrated by our willingness to offer a trial residence. We encourage prospective residents to try a month at Orchard Park to be sure they will be comfortable and content.

We know that independence and happiness are the keys to making Orchard Park a home for our residents. So that they can spend their valuable time enjoying new friends and doing the things they like to do, we provide the following services.

Recreational Activities & Social Programs

Exercise classes, Nintendo Wii contests, computer labs, massages, guest lecturers, entertainment and movies are just a few of the many activities our residents enjoy without leaving home. Field trips, shopping excursions and restaurant outings in our limo are also available.

When is the right time for Orchard Park?

The need to transition to an Orchard Park solution is not always easy to recognize or initiate. Maybe forgetfulness is on the rise. Maybe loneliness is a factor. Maybe mobility is impaired and the two-story house isn't practical anymore. Everyone has unique circumstances that must be considered. We stand ready to help you evaluate your situation and plan a more fulfilling lifestyle.

A Bit About Management

The management of Orchard Park, which is a privately held company, has owned and operated assisted living facilities since 1972. We are actively involved in the day-to-day operations of each of our facilities and are our residents' strongest advocates.
