The Park Terrace Experience

The Park Terrace assisted living philosophy is simple: getting older means getting better. Every day brings more experiences and insights. Every day adds value and worth to the lives of our residents.

Park Terrace offers a residential opportunity for seniors to focus on independence, friendship and fulfillment. The isolation, frustration and dependence that may have influenced our residents before coming to Park Terrace have been chased away.

At Park Terrace, our residents' horizons grow, not constrict. They are enabled, not hindered. Residence at Park Terrace means having assistance so that day-to-day concerns are not burdensome. Park Terrace's professionalism and excellence are demonstrated by our willingness to offer a trial residence. We encourage prospective residents to try a month at Park Terrace to be sure they will be comfortable and content.

We know that independence and happiness are the keys to making Park Terrace a home for our residents. We provide the following services so that our residents can spend their valuable time enjoying new friends and doing the things they like to do.

Recreational Activities & Social Programs

Daily exercise, news & views, gardening, Nintendo Wii contests, walking trails, computer access & training and weekly live entertainment at happy hour are just a few of the many activities our residents enjoy without leaving home. Day trips, shopping excursions and restaurant outings in our resident van are also available.

When is the right time for Park Terrace?

The need to transition to an Assisted Living Community solution is not always easy to recognize or initiate. Maybe forgetfulness is on the rise. Maybe loneliness is a factor. Maybe mobility is impaired and the two-story house isn't practical anymore. Everyone has unique circumstances that must be considered. We stand ready to help you evaluate your situation and plan a more fulfilling lifestyle.

A Bit About Management

The management of Park Terrace, which is a privately held company, has owned and operated assisted living facilities since 1972. We are actively involved in the day-to-day operations of each of our facilities and are our residents' strongest advocates.
