The Pines Experience

The Pines is a rural, family oriented Assisted Living and Memory Care community designed and staffed to accommodate seniors who suffer from Alzheimer's disease and Dementia. Our goal is to create a safe, caring, and stimulating environment for our residents, offering their loved one's peace of mind.

At The Pines, our residents' horizons grow, not constrict. They are enabled, not hindered. Residence at The Pines means having assistance so that day-to-day concerns are not burdensome.

We know that independence and happiness are the key to making The Pines a home for our residents. We provide the following services so that our residents can spend their valuable time enjoying new friends and doing the things like to do.
