EDEN HEIGHTS NEWS

SEPTEMBER 2021

NATIONAL ASSISTED
LIVING WEEK
SEPTEMBER 12-18, 2021

Labor Day – the unofficial end of summer – is just around the corner.

Observed on the first Monday in September, Labor Day will fall on Monday, Sept. 6, 2021.

According to the U.S. Department of Labor, the day is an annual celebration of the social and economic achievements of the American worker. The holiday traces its roots to the late 19th century when labor activists pushed for a federal holiday to recognize the contributions workers have made to the country.

Before it was a federal holiday, Labor Day was recognized in individual cities. New York State was the first to introduce a bill but Oregon was the first to pass a law recognizing Labor Day, on Feb. 21, 1887. Less than a decade later, 23 more states had adopted the holiday and, on June 28, 1894, Congress passed an act making the first Monday in September each year a legal holiday. That bill was later signed by President Grover Cleveland. Thank you to all the Healthcare workers for all you do especially during this pandemic.

A Grandmother's Prayer by Norma DelBello

Go to sleep my child
Close your sleepy eyes
Let guardian angels be your bed
Sing sweet lullabys

Safe and warm all thru the night
Our Jesus up above
Smiling down embracing us
Secure within his love

Soon it will be morning
To our Lord pray
Please keep your angels by their side
Safe guard thru each day

Happy
Grandparents Day

NATIONAL ASSISTED LIVING WEEK

SEPTEMBER 12-18, 2021

COMPASSION, COMMUNITY, CARING

The COVID-19 pandemic has been an enormous, unprecedented challenge. But it has also brought together assisted living residents, staff, and everyone in these communities in a way unlike before. When times got tough staff members were there to lend an ear and their hearts. When families & friends could not physically be together, caregivers became an even closer family. And even when things seemed impossible, essential assisted living staff continued to deliver the highest quality care.
