## A NOTE FROM OUR DIRECTOR OF NURSING

*Dear Residents, Families of the Eden Heights Community,*

*Hello, My name is Colleen Stapleton and I am the new Wellness Director at Eden Heights since March 14th. Professionally, I am an LPN and I am working on my bachelor's degree. I have been a nurse for 28 years. I am wound certified, was an EMT and taught EMT, CPR and first aid classes.*

*My goal here is to make your loved one's home an environment they enjoy while being taken care of and keeping family members updated. My door is always open and you can call anytime. If there's concerns my staff can reach me 24/7 to call any family back.*

*Personally, I have three adult children and two grandchildren. I live in Gowanda with my boyfriend and two dogs. This is where I grew up. Then I lived in East Otto for years before moving to Florida for 4 years. I found myself returning as I missed home and the small town environment. I truly look forward to meeting as many of you as possible. Eden Heights of Eden has so much to offer and we are growing and adding staff and are also in the process of doing building upgrades to make your loved ones home the best place to live. They deserve to enjoy life, live happy and thrive as they get older.*

*Sincerely,  
Colleen Stapleton*

---

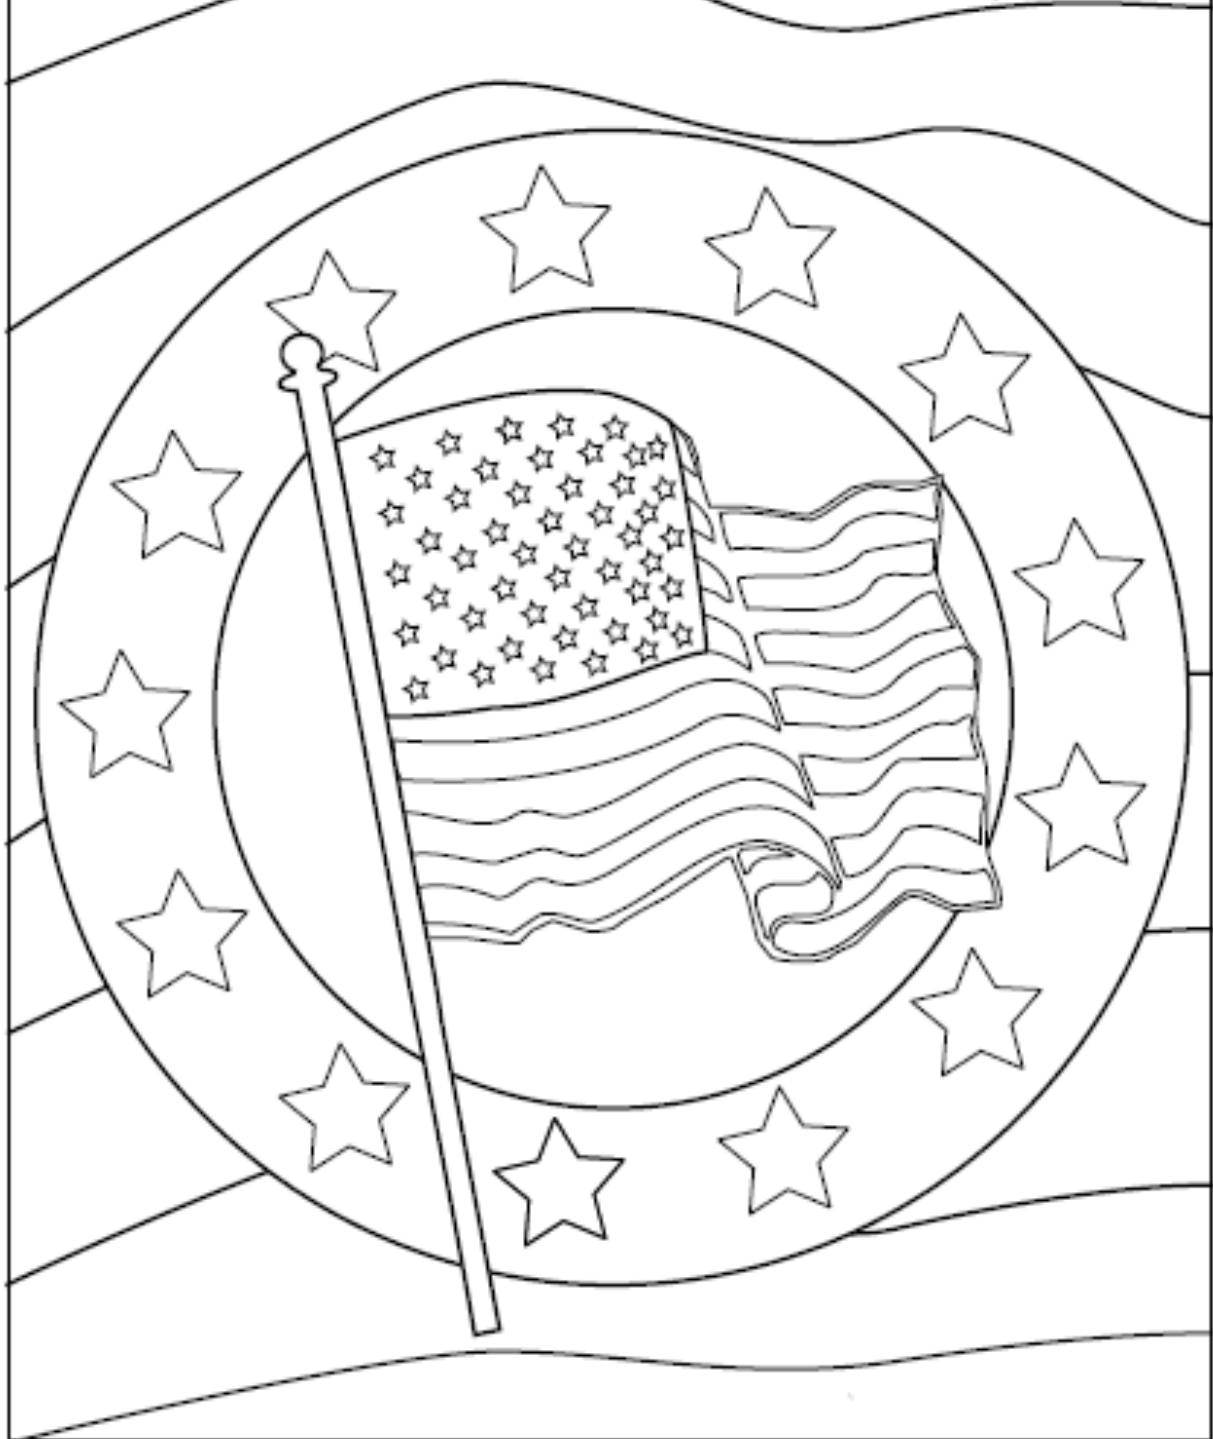

### **CONGRATULATIONS**

*Barb Fink has been elected your new  
Resident Council President.*

*Please stop by and wish her good luck in  
her new role.*

**Exceptional Care...  
Exceptional Caring...  
Exceeding Expectations.**

The Eden Heights philosophy about aging is simple: getting older means getting better. Every day brings more experiences and insights. Every day adds value and worth to the lives of our residents.

Eden Heights offers a residential opportunity for seniors to focus on independence, friendships and fulfillment. The isolation, frustration and dependence that may have influenced our residents' lives before coming to Eden Heights have been chased away.

At Eden Heights, our residents' horizons grow, not constrict. They are enabled, not hindered. Residence at Eden Heights means freedom from those things that are difficult to manage. It means having assistance so that day-to-day concerns are not burdensome.

Our three assisted living facilities are state-of-the-art residences. They are all one story and easy to move about in. Materials and construction are second to none. Our staff serves our residents' with respect they deserve and the warmth friendships are made of.

Eden Heights' professionalism and excellence are demonstrated by our willingness to offer a trial residence. We encourage prospective residents to try a month at Eden Heights to be sure they will be comfortable and content.
