

EDEN HEIGHTS NEWS

August 2022

A Note From our Activity Director

This announcement is bittersweet for me, but if you have not already heard, August 18th will be my last day here in Eden and I wanted to say farewell.

I will be going to Eden Heights of West Seneca as an Activity Director. I have been at Eden for 15 years and that made my decision difficult. I have loved my time here. My relationships & memories with all of you residents will always have a special place in my heart.

Eden is a great community and I'm glad I had an opportunity to be a part of it. Thank you to all the wonderful volunteers at Eden Heights. You truly do so much for our residents.

I am looking forward to my next opportunity and wish all of you the best. Keep on smiling, stay involved & have fun!

*Sincerely,
Patricia Crosier*

AUGUST Birthstone, Flower & Zodiac

The August Birthstone is Peridot

The Peridot gemstone is associated with growth, prosperity, love, loyalty and protection. The origin of 'peridot' is not clear but may come from the Arabic word "faridat", which means "gem."

The August Birth Flowers

Gladiolus and poppy, both symbolize remembrance. These two summer bloomers come in a variety of colors and make for great cut flowers.

August Zodiac

Leo (July 23 – August 22) Like a crackling fire, Leos tend to be warm, passionate, and dynamic. They delight in opportunities to let their charismatic, inclusive personality shine. And like the lion that represents them, Leos are also strong, brave, and ready to dominate everything they set out to do.

Virgo (August 23 – September 22) Virgo is an earth sign historically represented by the goddess of wheat and agriculture, an association that speaks to Virgo's deep-rooted presence in the material world. Virgos are logical, practical, and systematic in their approach to life.
